givejedahand #skylinerestaurant in #captainstreasures #mirror - its #retro look qualifues it for #streetphotography. This and Erroll's shiny surfaces draw #photographers threats #shit does #flies - perhaps to similar effect. This part of #QueenWest in #Parkdale near #Lansdowne is only getting #weirder and not very #nicely. Many people about #actingout too #violently. #CAMH #CAMHFOUNDATION aren't doing their job. All the #artificialintelligence with Olde #Doc #Rat #Brainn - hello Sean Hill - over at #Krembil #Neuroinformatics cannot compensate for the obvious deficit of #care - and #commonsense. The #streetsoftoronto are !bad - very! - for #MentalHealth. #Genuine #Giftsoflight
